This promises to be the most interesting and largely attended meeting in the history of the Encampment. It affords an unequalled opportunity for an outing in the Ozarks at a very low cost. The railroads have made a rate of fare and one-third for the round-trip from any point in Missouri to Arcadia during the Encampment. Family compartment tents, two rooms, 9x14 feet, can be leased on the grounds for the twelve days for \$7; 3 room tent, 9x19 feet, 12 days, \$8. Lodging, per night, 25 cents. Extra cot, ten cents per night, or 50 cents for the 12 days. Meals will be served in the Dining Room at the following prices: breakfast and supper, 25 cents; dinner, 30 cents. A cordial and urgent invitation is extended to all to come and spend these twelve days at beautiful Epworth among the hills in the far-famed Valley of Arcadia. The experience will be profitable, entertaining and beneficial. Come! You will find the latch string on the outside and we'll give you hearty welcome! For further information, address Rev. J. T. Self, Arcadia, Mo.

Stubborn Case

"I was under the treatment of two doctors," writes Mrs. R. L. Phillips, of Indian Valley, Va., "and they pronounced my case a very stubborn one, of womanly weakness. I was not able to sit up, when I commenced to take Cardui.

I used it about one week, before I saw much change. Now, the severe pain, that had been in my side for years, has gone, and I don't suffer at all. I am feeling better than in a long time, and cannot speak too highly of Cardui."

TAKE CARDUI The Woman's Tonic

if you are one of those ailing women who suffer from any of the troubles so common to women.

Cardui is a builder of womanly strength. Composed of purely vegetable ingredients, it acts quickly on the womanly system, building up womanly strength, toning up the womanly nerves, and regulating the womanly system. Cardui has been in successful use for more than 50 years. Thousands of ladies have written to tell of the benefit they received from it. Try it for your troubles. Begin today.

Houchin For Governor.

(Houchin Press Bureau.)

No better opportunity has ever arisen in Missouri for the people of the State to put money into their own pockets than now. By giving your support to Mr. James A. Houchin for the Democratic nomination for Governor, you will give the State a clean, economical administration conducted upon business principles, a thing our state is sadly in need of. For lo, these many years, we have tried lawyers, politicians, financiers, etc., but never since the war of the rebellion have we had a business man at the head of the State's affairs. Look into Mr. Houchin's life work in our state, and we feel sure you will give his nomination your serious consideration.

This Institution is designed and constructed for the comfort and accommodation of patients who seek relief and recuperation and the recovery of lost health. Its location is admirable for this purpose. It is on the Iron Mountain Railway, 89 miles south of St. Louis, and 640 feet above that city. Nestled at the foot of Shepherd Mountain, embowered among majestic trees, just off the main street, and free from its noise and dust, and alongside the famed Emerson Park, known far and near, with its shady walks and drive-ways, Sylvan Lake and Grant Spring, and their attractive surroundings, no more beautiful, restful retreat for the invalid and convalescent, or the weary and careworn, can be found in all America.
